PROFILE SUMMARY

With a perfect score of 100% in HSC, my strong foundation in academics is complemented by valuable internships in data analysis and visualization. Proficient in AutoCAD, Excel, and Python with a keen eye for design using Canva and Poster Design, I am equipped with the skills to drive insightful decision-making. Eager to leverage my expertise in data analytics and Power BI to contribute to a dynamic team, I am seeking opportunities to apply my technical prowess and passion for numbers to make a meaningful impact.
